

Deena

Creative Director & Brand Strategist

An accomplished Creative Director & Brand Strategist with over 7+ years of experience. She has successfully rebranded a \$150 million company in just 6 weeks, implemented innovative methodologies resulting in a 3X boost in purchase intent and a 5X increase in first-time customer repeat purchases within three months, and led a BFCM campaign exceeding sales forecasts by \$3 million. Her effective leadership has driven exceptional results while managing large and diverse teams. Her passion lies in cultivating safe and healthy work environments, demonstrated through her initiation and leadership of DEI committees.

Hobbies

In my free time, I'm lucky to mix work with play. I'm all about getting creative; whether it's doodling, painting, or sculpting. When I'm not being creative, you'll find me on eating everything all over the world. In all other in between hours you can find me touching grass.
